TROOPS RETURNING HOME SOON!

Our last shipment to troops in Afghanistan will be made this month. Our boys and girls are coming home! Thanks to all of you who have given support to this worthy cause. Beckie Stein Lambert, ERA Real Estate, has undertaken seeing to an average of 20 cartons being sent to the troops every month in 2010. We must never forget the great sacrifices our military men & women have made so that we have our freedom.

January 2011 BUSINESS OF MONTH, John Sang Ford Lincoln

On July 1, 1970 a new dealership to the area was opened for business offering local communities a fuel efficient alternative manufactured by Volkswagen. In the summer of 1971 John Sang left a teaching/coaching career to pursue a new occupation at that dealership. Several years later, John Sang and two other business partners bought the franchise and renamed it Riverside Motors Inc.

In 1982 the corporation acquired the Ford Motor Company Franchise, a new partner & started doing business under the name Turnpike of Gallipolis. In 2005, John bought out his remaining partner & started under a new name. Today **John Sang Ford Lincoln** proudly represents the Ford Motor Company Corporation. Out of 30 employees, John is proud that many of them have over 18 years of experience; two have 35+ years of experience.

John and his son and partner, Brad, run the dealership with the continued help of 28 great men & women. They strive every day with their employees to make sure to live up to their slogan of "Integrity Pricing and Quality Service." Congratulations to another long-standing Chamber member, whose reputation and reliability speaks for its continued success.
