FALL 2011 SEMINARS The Mason County Chamber is providing its members & associates the opportunity to attend seminars covering various subjects on *Customer Service, Workman's Comp., Business Transition/Succession Planning and Social Media/Computer Networking*. The first presentation will be on Customer Service with Missi Scarberry as instructor. Enrollees will meet on October 13, 2011 at Marshall U/MOVC, Room 126 from 6:00 p.m. until 8:00 p.m. To register for this class, please call 304-675-1050. There will be a break for light refreshments. Fees: \$10 per Chamber member, \$25 for 3 or more non-members representing a business/company. This is the first of practical and informative sessions to be held focusing on improving our workplace environment.

The Point Pleasant River Museum is definitely a place to visit this summer. My family and I recently spent a couple of hours there & all of us, young & old, were thoroughly entertained. The *Virtual Reality Pilothouse Training Simulator* was a big hit! Incidentally, the Chamber donated the cost of the simulator cabinetry. As you know, there is not another river museum in WV. It's amazing to reflect on all the changes that have taken place in just this community along the rivers. If you have not visited yet, you owe it to yourself. It's a big part of "you" and your heritage. Take the kiddies & have some ice cream while you are there! For hours call 304-674-0144.
